TITLE CHARACTERISTIC

Onboard magazine MyWings, aiming primarily on Polish market and Polish readers on regular and charter lines, is being issued twice a year. MyWings is a lifestyle magazine with unique content and reach.

Its contents are lifted from the wide destination portfolio of Smartwings and ČSA, presenting the readers with an attractive mixture of European cities, vacation spots and exotic destinations. Inspirational interviews with travelers and interesting personas from numerous fields are added to the contents, as well as attractive lifestyle topics. **An antibacterial surface treatment of the magazine in the form of a dispersion varnish that we offer is a necessity nowadays.**

Time the reader spends on the flight allows the magazine to effectively target the consumer. Passengers are not affected by other standart sensory perceptions of day-to-day life (phone, mail, radio, TV). The attention is therefor fully centered on the magazine in the seat pocket.
