

PODCAST

PODCAST AS AN ORIGINAL AND EFFECTIVE FORM OF PRESENTATION

Do you want to introduce your services and product in an interesting way or inspire your employees? We will join you as you walk through your company, allowing you to describe the departments, the processes and your know how. In a matter of mere minutes, you can authentically present the inner workings of your company right in the center of action.

WHY DO YOU NEED YOUR OWN PODCAST?

- ✔ You will gain an advantage over your competition.
- ✔ Can be used for both internal and external marketing communications.
- ✔ Your communication mix will be better rounded (Integrated marketing communications).
- ✔ Your target group will receive a bigger amount of information in more acceptable form.
- ✔ Thanks to the unique distribution and reception of the information, you will have an impact even on customers uncaptured by other marketing channels.
- ✔ Your announcement reaches the listener in a natural way, increasing its memorability.
- ✔ You can choose from several announcement forms (commentary, case study and many, many more...)
